Insect-a-clear

Introducing:

Insect-a-Clear Wall Fly LED Fly Killer a discreet uplighter using 1 x 7w LED self ballasted shatter resistant lamp, covering 100 Sq/m comes with a five year guarantee, ideal front of house, available in white or Stainless.

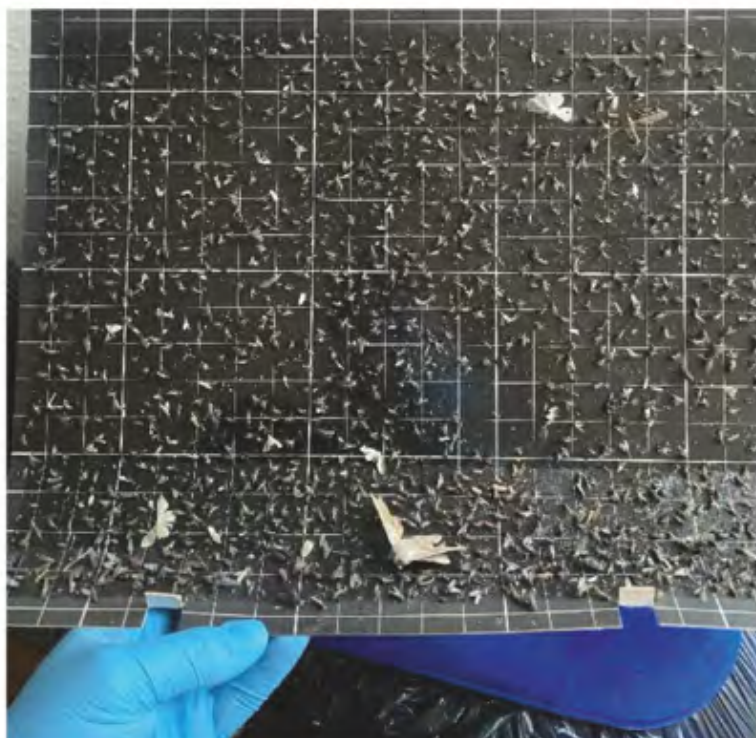

New Discreet LED's !!

Don't take our word for it !

Bowers LED lamps are far outperforming traditional UV lamps, with superior UV output and catch, it's a win win for professional pest controllers and their customers.

So why choose LED ?

- Up to 70% energy saving
- Three year lamp life (less waste)
- Bower LED machines come with a FIVE year guarantee (Except LED lamps / glue boards)
- UP to £55 energy saving P.A. per machine
- Traditional UV lamps will be phased out
- IP rated LED machines available for wet areas
- Ideal for ISO 14001 compliant companies
- Reduced carbon footprint
- Superior UV output (20% more UVA vs traditional lamps)
- Affordable LED units vs traditional UV lamp machines
- Shatter Resistant lamps (As standard)
- Available in white or stainless
- All Bower LED Fly Killers are Built in the UK
